

Palestinian Social Media Intern

| | |
|-------------------|---|
| Project Title | Palestinian Social Media Intern |
| Project Summary | We're looking for a social media assistant who can help us create enticing, engaging content that helps connect the U.S. and Palestinian people. You, as the intern, would create content (copy, photos, and video) and help us connect the Palestinian diaspora with their homeland. |
| Country | Jerusalem |
| Agency | Department of State |
| DoS Office | N/A |
| Post | JERUSALEM |
| Section | PAS |
| Number of Interns | 1 |

Project Description

This project involves three main components. First, the assistant would help us monitor our Facebook account, analyze and report on the comments we receive, and provide information to fans who ask us questions or send us messages. Secondly, the assistant would proactively reach out to residents in our district (both Palestinians and U.S. citizens) to share our messages and answer their questions. Lastly, the assistant would make inroads with the Palestinian diaspora in the United States and serve as a liaison between Palestinian-Americans and the Consulate. As part of this outreach, the intern would collect content from the Palestinians living in the United States to share on our social media properties. T
